Sir:

Receipt is acknowledged of an Office Action dated June 12, 2003 in connection with the above-identified application.

Upon review of the Office Action by the applicant, it has been determined that the Examiner did not examine the application based on a Preliminary Amendment filed on March 19, 2002 wherein Applicants canceled claim 1 and added new claims 4 and 5 nor was the application examined based on a second Preliminary Amendment filed on August 1, 2002 wherein Applicants further amended claims 4 and 5 and added new claims 6-9. Copies of the March 19, 2002 and August 1, 2002 Preliminary Amendments are attached herewith.

Accordingly, it is respectfully requested that a complete Office Action be issued examining the application based on new claims 4-9 and that the statutory period for response be reset.

Also attached is a copy of Applicants Credit Card Payment Form dated

August 1, 2002 for charges due in connection with 3 additional independent claims. Applicants respectfully request that if such fees were already charged to Applicants Credit Card that the United States Patent and Trademark Office do not again charge Applicants for such fees.

Applicants also respectfully request that the Examiner consider the Information Disclosure Statement filed on August 1, 2002. A copy of said August 1, 2002 Information Disclosure Statement is also attached. An indication that the August 1, 2002 Information Disclosure Statement has been considered is respectfully requested.

To the extent necessary, applicants petition for an extension of time under 37 C.F.R. section 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (Case No. 500.37060CX1) and please credit any excess fees to such Deposit Account.

Respectfully submitted,
